### DECLARATION OR OATH

y a superior of the

II. A No declaration or oath was filed. Enclosed is the original declaration of oath for this application. NOTE: If the correct inventor or inventors are not named on filing a nonprovisional application under § 1.53(b) without an executed oath or declaration under § 1.63, the later submission of an executed oath or declaration under § 1.63 during the pendency of the application will act to correct the earlier identification of inventorship. 37 C.F.R. § 1.48(f)(1). OR The declaration or oath that was filed was determined to be defective. A new original oath or declaration is attached. NOTE: For surcharge fee for filing declaration after filing date complete item VI(3) below. NOTE: Acceptable minimums in the declaration for identification of the specification to which it applies are the name of the inventor and (1) serial number (2) attorney docket number which was on the application as filed and the filing date (3) title of the invention and filing date (4) title of invention and reference to a specification which is attached to the declaration at the time of execution and filed with the declaration or (5) title of invention and a statement by a registered attorney that the application filed in the PTO is the application which the inventor executed by signing the declaration. If identification (4) is used it must be accompanied by a statement that the "attached" specification is a copy of the specification and any amendments thereto which were filed in the PTO to obtain the filing date; such a statement must be a verified statement if made by a person not registered to practice before the PTO. Notice of September 12, 1983 (1035 O.G. 3). NOTE: Another minimum found acceptable in the declaration is the filing date fi.e., date of express mell) and the express mail number, useful where the serial number is not yet known. But note the practice where the express mail deposit is a Saturday, Sunday or holiday within the District of Columbia. 37 C.F.R. 1.10(c). (complete (c) or (d), if applicable) Attached is a (c) Statement by a registered attorney that the application filed in the PTO is the application that the inventor executed by signing the declaration. (d) Statement that the "attached" specification is a copy of the specification and any amendments thereto that were filed in the PTO to obtain the filing date. AMENDMENT CANCELLING CLAIMS III. Cancel claims .... inclusive. TRANSMITTAL OF ENGLISH TRANSLATION OF NON-ENGLISH LANGUAGE PAPERS IV. 

Submitted herewith is an English translation of the non-English language application papers as originally filed. Also submitted herewith is a statement by the translator of the accuracy of the translation, it is requested that this translation be used as the copy for examination purposes in the PTO. NOTE: For fee processing a non-English application, complete item VI(5) below.

(Completion of Filing Requirements - Nonprovisional Application (6-1)-page 2 of 6)

NOTE: A non-English oath or declaration in the form provided by the PTO need not be translated. 37 C.F.R.
